Rehearsal Summary Rehearsal began in the theatre classroom with designer presentations. We then took a brief break to travel down to the Bistline and prepare to start scene 1. The cast warmed up by singing through # 1 <i>Our Perfect Little Town</i> and # 2 <i>The Horrible Herdmans</i> . From there we moved into blocking and working the first section of scene 1 with the townspeople. During this time, Alissa Shirts ran some choreography with the cast. We were able to run through this portion once before moving to block and work the Herdman's entrance. While the Herdmans worked their chicken fight choreography, we started blocking the Townspeople reentry. We ran through this section once without music and then again with music. To finish off scene 1, we ran through it all again starting at the top and with accompaniment. Rehearsal ended after going over a few notes and announcements. Scenic Paul - We deeply apologize. We put a hole in the backstage right wall off of the first wing. We had a longboard roll off stage for scene 1 and had not predicted that it would roll off with enough force to put a hole in the wall. We will make sure that there will be someone to catch all props moving forward.	Lights N/A	
Props Katie - I have updated the prop sheet.	Sound N/A	
Costume Ananda - For scene 1 we have actors (listed below) walking on their knees. Will this be okay? Do we have costumes that can support that? Channing, Emily, Rachel H., Rachel G., Devon, Jacob, Elijah, Jake Ryan, and Cami	Dramaturgy N/A
